**New Racer School:**

The classroom session for NRS kicked off our 2025 season last month! It was hosted by our sponsor, CRT Services, and allowed us to cram in a massively well attended group of 30+ (in person) and another 20+ (via Zoom). Led by your Novice Rep, Damon Poor, it was a really spectacular event and we look forward to the newest racers joining our WMRRRA Family.

The NRS On-Track session is coming up next week, April 6<sup>th</sup> at the Ridge. Registration is via 2Fast. For those of us that may need a bit of a warm-up prior to the season starting, ahem, this could be a great day to clear out some of those cobwebs.

### **Now for things to come:**

#### **Round 1:**

We have less than *ONE MONTH* before round 1! (I'm not sure where the time has gone, but one thing is for certain, *DOUBLE POINTS* to start the year is awesome!) Registration for round 1 is expected to be released soon, possibly even before this article is published.

Weather be damned, full speed ahead. As PNW racers, it's all about preparedness. With double points on the line, simply showing up and completing the race could be the difference between a podium in the championship and being off the list. Please register as soon as possible to help us plan and prepare prior to the start of this round. If you appreciate more rounds in a season, show your support by being there. It's costly to run these events, and your attendance, rain or shine, helps us plan for future events.

By the way, we have it on good authority that the weather is going to be spectacular that weekend...and more importantly, there may even be an easter themed contest. (More to come on that).

### **Volunteering Is Cool:**

Hell, yeah it is! The rush as bike fly past, the smell of race gas, and seeing the action/drama unfold is all part of the thrill of volunteering. Volunteering provides you the opportunity to be up close and personal. Getting to know the riders, the staff, and the organization—a bit of chaos, but a one-of-a-kind experience!

So how do you get involved and volunteer, you ask? Easy, contact: [Corner.Captain@wmrra.com](mailto:Corner.Captain@wmrra.com). We have a ton of work to do and there is a lot that goes on behind the scenes. There is never enough help. But I'm a racer, you say, and I don't know how I can do all the cool stuff and still race? Well, do you have friends coming out to watch? Family hanging out with you? A little sister or brother that has nothing better to do? Drag them out and get them involved!

Volunteers are the heart and soul of WMRRA. Every function of WMRRA is staffed by a volunteer. They help organize our race events; help keep us safe on track; and work behind the scenes to ensure motorcycle racing has a permanent place in the PNW. It's exciting, fun and the best 2<sup>nd</sup> *family* you'll ever be a part of. **Best of all, it's FREE to be a volunteer!**

There are a wide variety of opportunities for all talents and interests - *even if you're not a racer! (Racing or even riding a motorcycle is NOT required)*

- **Corner Worker** (Flags & Crash support. Best seat in the house!)
- **Starter's Assistant** (Helps get the bikes gridded up to race!)
- **Tech Inspection** (Check out all the race bikes and ensure they are safe to race!)
- **Crash Truck Assistance** (Pick up crashed bikes & their riders. Best ride share service in the PNW)
- **And so much more!**

Contact: [corner.captain@wmrra.com](mailto:corner.captain@wmrra.com) to get in and get your hands dirty and heart full!

### **Promote the Race Season:**

2025 Season T-Shirts (limited supply), Postcards and Posters will be available at round 1 to help promote the race season. Pick up a t-shirt (\$25/ea), grab some free promotional materials and help by passing them out to local shops, businesses, etc. Let's get the word out!

Additionally, if you know of local events, meetups, shops, or other motorcycle venues that post events etc. where we can display our race schedule, please let your [2ndvp@wmrra.com](mailto:2ndvp@wmrra.com) know!

### **Other Events to Consider:**

#### **Bike Night in Vancouver/Portland area:**

CycleGear, Vancouver, WA, is hosting a bike night on April 8th at 7 p.m. With the help of OMRRA and WMRRA racers, they'll be talking about racing, how to set up bikes for the track, and generally spreading the word. If you're in the SW Washington area, drop by...share the love.

#### **Higgy's Endurance Race (Charity Event):**

For those of you that want to ride for extended hours on a track. Higgy's On the Track Endurance Race is happening on August 4<sup>th</sup> at the Vancouver Island Motorsports Circuit. This 9-hour endurance race supports three charities (BC Children's Hospital, Cowichan Therapeutic Riding Association, Children's Health Foundation of Vancouver Island). Last year this event raised over \$65,000 dollars!

For more information, check out: Higgy's <https://enduro.higgys.ca/>

#### **PNW East meets West Bikefest:**

*This event will be held on Aug 15-17, 2025, in Packwood WA. They have stunt shows, vendors, live music, races for little kids, audio competitions, and online auctions.*

*For more information, check out: <https://ewbikefest.com/>*

*If you would like to contribute to future WMRRA News articles, updates or be a part of the team to spread the word... let us know!*
