Let's start with a recap from the past months:

Championship Points:

You asked for it, we got it! For those interested in seeing how the championship is progressing, we have posted a link to Speedhive on the WMRRA webpage, where you can track all the race classes. Note, there is typically a delay in getting the latest round posted, but we will do our best to have them updated as soon as possible after each round.

Race Programs Available on Our Website:

We've received great feedback on the Race Programs at our rounds. Hopefully you find them useful and that they bring value to each race weekend. (We, of course, encourage any suggestions for improvement). And we have been asked to make them available after the rounds for those that missed it, or didn't get a copy. Thus, we are publishing the Program on the website. You can find them at WMRRA.com and located next in the race schedules (There's a little booklet icon). We'll post them up after each round.

2026 Rule Book Submissions:

We're half way through our season. Do any of you have questions regarding the rule book or suggestions for things you'd like to see changed?

The rule book is member driven. Meaning changes come from your suggestions. Rule book submissions are accepted year round but we typically cut off suggestions for the following year's rule book in October.

You can contact me directly via referee@wmrra.com if you want to discuss or ask questions. If you have an actual proposal for a change please submit to both referee@wmrra.com and secretary@wmrra.com.

Proposals must include:

- a. The section and paragraph number(s) that the rule change affects.
- b. The exact text of the proposed change and the existing rulebook text.
- c. The reason for the change, and any other supporting discussion or documentation.
- d. The name of the person submitting the proposal.

Thank you, Louis

Volunteering For Each Round:

Volunteers are the heart and soul of WMRRRA. Every function of WMRRRA is staffed by a volunteer. They help organize our race events; help keep us safe on track; and work behind the scenes to ensure motorcycle racing has a permanent place in the PNW. It's exciting, fun and the best 2nd *family* you'll ever be a part of. ***Best of all, it's FREE to be a volunteer!***

There are a wide variety of opportunities for all talents and interests - *even if you're not a racer!*
(Racing or even riding a motorcycle is NOT required)

- **Corner Worker** (Flags & Crash support. Best seat in the house!)
- **Starter's Assistant** (Helps get the bikes gridded up to race!)
- **Tech Inspection** (Check out all the race bikes and ensure they are safe to race!)
- **Crash Truck Assistance** (Pick up crashed bikes & their riders. Best ride share service in the PNW)
- **And so much more!**

Contact: corner.captain@wmrra.com to get in and get your hands dirty and heart full!

Promote WMRRRA:

Remaining 2025 Season T-Shirts (limited supply), Postcards and Posters will be available at round 5 to help promote the race season. Pick up a t-shirt (\$25/ea), grab some free promotional materials and help by passing them out to local shops, businesses, etc. Let's get the word out!
