2025 Season Is a Wrap!

Congratulations to this year's 2025 Overall Champion, Kevin Pinkstaff!

For two consecutive years, (and OMRRA Championship winner to boot!), Kevin sits on top of the proverbial box to claim the 2025 Overall Championship. He has been a force all year, although the victory has not been easy. We celebrate Kevin, Zlock Racing, and everyone that helped contribute to this year's victorious journey.

Want to know who else will be awarded this year for outstanding performances? You'll need to come to the Banquet (Info below). Or you can try to do the math and figure it out yourself by going to our link:

Ninja 250 Track Record Broken at Pacific!

Indeed, Brian Burchill set off at a roaring pace this past weekend in our Final Round at Pacific Raceways. Not only did he sit on top of the box in all four of the Ninja 250 Cup races, but he ultimately beat the track record, previously held by Mitch Coleman, getting around the track in a blistering 1:43.607!

Congratulations Brian & B2 Racing!

Thank You, Russ!

Final round Race Program is available on the website where you can read all about Russ Wieand's long history and support to WMRRA. This year marks his last year as Race Control. Although he's retiring from this position, you'll see him around the track in various capacities in the coming year.

You can find them at WMRRA.com and located next to the race schedules (There's a little booklet icon).
